RE: Preliminary Assessment Report

Dear Mr. Kessler:

Enclosed, for your information, please find a copy of a report recently completed under the Hazardous Waste Program's PA/SI (Preliminary Assessment/Site Inspection) Superfund process. A preliminary assessment report has been completed for the Mound Street PCB site in the city of Saint Louis, Missouri.

As indicated in the report, McKinley Iron Incorporated is one of the current property owners of the Mound Street site. We are providing this information to you as a courtesy, due to your company's potential interest in the investigation of this site.

We have made a recommendation to EPA (U.S. Environmental Protection Agency) that further investigations be conducted at this site. No further actions are anticipated under the state PA/SI program.

If you should have any questions or require additional information regarding this report, please do not hesitate to give me a call at (314) 751-3176.

Sincerely,

HAZARDOUS WASTE PROGRAM
